Hello Ladies,

Thank you for entering the LBJ in Reno. Keith Hamilton of the Bowlers Journal and myself appreciate your loyalty to this long running ladies event. We will continue to operate the LBJ with the FFG Ladies Doubles next year in El Paso, Texas. Our numbers were lower this year which is reflected in our prize list. We believe the economy hurt us quite a bit but that will change hopefully for next year. We received many positive comments on our new directors, Dee and Roger Pickerign. They did a great job under trying circumstances at times and we are glad you enjoyed them. Once again, thank you and we look forward to seeing you in El Paso in 2010.
